
DON'T SUPPORT DONKEY BASKETBALL!

Each year, schools, clubs, and recreation departments across the country use donkey basketball games as fundraisers. During these games, donkeys are dragged around a court and mishandled by participants who have little or no experience with donkeys—the animals are often shoved, kicked, dragged, yelled at, or whipped when they don't cooperate. I refuse to participate in or attend these cruel events and urge education officials to adopt a policy against holding donkey basketball games as school fundraisers.
