
ELEPHANTS NEVER FORGET—WILL YOU?

Elephants need your help! From the moment that they're born, elephants and other animals trapped in the circus are denied everything that is natural and important to them. Elephants are *beaten, electro-shocked, and chained for up to 100 hours at a time*, and they have their spirits broken so that they'll perform meaningless and physically demanding tricks under the big top.

Never forget: You can help save elephants now! Sign our pledge promising never to go to a circus that uses animals!
